

OFFICER REPORTS – STUDENT COUNCIL

President's Report

January 2020 Student Council

Gemma Lovegrove

Summary

This month I have been occupied with setting the Union up for future sustainability and impact. Although a lot of this needs trustee approval still, I am hoping it will put the Union in a stronger, more stable position to support students in the future. We have seen the delivery of the new learning hub Union stand which has already seen an increase in student engagement through its footfall monitoring.
